Sometimes I Wonder

22 0 1

Chapter 1 by cheetah3

When you think about it, you might realize that we aren't the only people, Earth is not the only planet, our sun isn't the only sun and that there is always more to life. Some people may not believe it, but I bet that 3 galaxies away, people there are thinking that they are the only people in the entire universe when they're not. Because I know. I know that far out in space, there are what people call in Earth "aliens". I know this because I am one.
